ABOUT PIZZAPLEX

PizzaPlex is a community-oriented pizzeria, coffee shop and bar in Southwest Detroit. We are the first establishment in the city of Detroit to obtain Vera Pizza Napoletana (VPN) certification. We are actively embarking on a journey to become a worker-owned company.

We open our doors to community to host local events ranging from dance lessons to concerts to meetings and educational programs (like Italian language lessons). The style of pizza we make has been developed over hundreds of years, so we invite you to try the menu's flavor profiles before making substitutions or changes

MISSION: PizzaPlex L3C serves delicious food and creates a comfortable community space for a culture of international exchange, entertainment, and engagement in order to build a sustainable city.

VISION: Vibrant and inclusive community spaces that foster environmental and social justice to achieve higher quality of life for all.
